

## Actividad #5

```
public static void main (String[] args) {  
    int i;  
    for (i=1; i<=100; i++) {  
        if (i%3 == 0 && i%5 == 0)  
            System.out.println("Fizz Buzz");  
        else if (i%3 == 0)  
            System.out.print(" Fizz ");  
        else if (i%5 == 0)  
            System.out.print(" buzz ");  
        else  
            System.out.print(i + " ");  
    }  
}
```
